

HR CONSULTANCY FIRM OF THE YEAR

Consensus HR

HERTFORDSHIRE

Consensus HR is a Stevenage-based HR and employment law service, helping employers who can't support their own in-house human resources department. Covering Hertfordshire and the surrounding areas, the HR specialists work with businesses across all areas of the employment life cycle; from recruitment, development, rewards, payroll, health and safety, to employee relations. Consensus HR offers monthly packages which are designed to be affordable and scale with their business partners as they grow. With a wealth of experience working alongside multiple sectors, such as high turnover retail, hotels, catering and pharmaceuticals, the HR experts are a company businesses can trust to take charge.

The judges were impressed with the personal service provided by Consensus HR, who work in tandem with their clients to ensure they get the most appropriate advice and assistance for their specific needs. Customers are never just a number to the Stevenage consultancy, who get to know their clients' businesses intimately to ensure they have up-to-date legal, best practice and user friendly advice. The team at Consensus HR holds the highest employment law qualifications (level 7) with the Chartered Institute and all the advice given is fully professionally liability insured and accredited by the CIPD and other leading professional bodies.
